Wow...the DB Vortex's pull grows ever stronger...

Great work Valois (and yes, you did promise to stay in UIC at least until we get these permits out as final)!

Just to keep you in the loop. Please see Chris's comment belo.

BTW I am not thinking of moving to the air program in the near future ☺

Thanks, Chris. Given your recommendation to expand the scope of this review within the Air Program (which I very much appreciate) let's move that deadline to next Friday. If that isn't enough time, please let me know & we can work something out. I appreciate the time and effort you all are putting into this review.
